Dear MAHMOUD PARSIAN,

We registered you as the agent for NAYER AZAM PARSIAN's immigrant visa case: ANK2005769008. Please visit our website at <http://nvc.state.gov> and work with the applicant to complete steps two through six of the NVC process:

- Step 2:** Pay fees
- Step 3:** Submit visa application form
- Step 4:** Collect financial documents
- Step 5:** Collect supporting documents
- Step 6:** Submit documents to the NVC

Included with this letter is the Immigrant Visa Fee invoice(s) you will need if you have to pay your Immigrant Visa Fee(s) by mail. If you did not receive an Immigrant Visa Fee Invoice for any applicant who should be listed on this case, do not submit a fee payment for the applicant. Instead, please contact the NVC and we will help you.

**Important Notes:**

- If the applicant intends to adjust with U.S. Citizenship and Immigration Services (USCIS), please contact the NVC before taking further action or making any payments.
- Children who pass 21 years of age after the petition was originally approved by the USCIS become ineligible to accompany or join the applicant(s) immigrating to the United States under the original petition. In some situations, the Child Status Protection Act (CSPA) may allow children to remain eligible beyond 21 years of age. If you believe that the CSPA applies to this case, please send a detailed explanation to the NVC. We will forward it to the U.S. Embassy or Consulate for a decision.

After you complete the steps above, we will review the forms and documents you submit to us. If something is missing or incorrect, we will tell you how to fix it. Otherwise, we will schedule this case for a visa interview at the U.S. Embassy or Consulate in ANKARA, TURKEY.

Sincerely,

**National Visa Center**

### Termination of Registration

Immigration and Nationality Act (INA) section 203(g) provides that the Secretary of State shall terminate the registration (petition) of any alien who fails to apply for an immigrant visa within one year of notice of visa availability. The petition may be reinstated if, within two years of notice of visa availability, the alien establishes that the failure to apply was for reasons beyond the alien's control. Therefore if you do not respond to notices from the National Visa Center within one year you risk termination of your petition under this section of law and would lose the benefits of that petition, such as your priority date.
